Dear Pierangela Calzoni Bonelli:

We want you to know that your health plan requires some care to be reviewed and approved before it is covered. On 08/18/2021, Roger Hartl, MD asked us to review and approve coverage for the following service(s):

- 63030 Partial removal of bone with release of spinal cord or spinal nerves of 1 interspace in lower spine

After reviewing your medical information and health plan, we approved this request.

**Important reminders:**

- When we receive your medical claim(s), we'll need to make sure your health care professionals performed only services we approved. If extra services were performed that weren't medically necessary or covered by your plan, we won't be able to pay for them.
- This letter isn't a guarantee that your plan will pay for the services. You must be enrolled in the plan and eligible for benefits on the date you receive the service. Please see your plan documents for details about your coverage. You're responsible for your share of any copayments, coinsurance, or other costs.
